Keeping with the history of the Grand Lodge of Indiana since 1992, I have designed a Grand Master's Pin for the 2022-2023 year. This pin has special meaning not only for what it represents but for who it honors. I have spoken about how we are a family and about the strong connections that we have with one another by being Freemasons. I belong to a strong and connected family line and the last five Past Grand Masters from my family have each designed special pins for their year. I have used something from each of their pins in my design to honor them and what they proudly stand for.

From Past Grand Master Bill Blasingame I discovered more about becoming a better man with a focus on areas of youth groups, education, and following one's passions. From Past Grand Master Richard W. Wierzba I learned about committing time and resources to our Indiana Masonic Home at Compass Park and in doing so, touching the lives of our many Brothers and Sisters. From Past Grand Master Jim Barkdull, I learned about setting an example for others by living up to our obligations as Freemasons and what it means to be proud to be a Freemason. From Past Grand Master Greg Walbridge, I learned the value of building strong relationships based on the three virtues of Faith, Hope, and Charity as we walk our many paths in life. From Past Grand Master Carey B. Carter, I came to a better understanding of what it means to be a proud Freemason in the State of Indiana and as a citizen of this great nation. Each pin was adorned with a message to remind us how we should meet, act and part during our journey as Masons.

The 2022-2023 Grand Master Pin has an outer ring of purple representing the Grand Lodge of Indiana with a message of Proud to be a Freemason. The center portion of the pin is

Truth. The purple of our
fraternity is the Grand Lodge supporting the Square & Compass and the
Craft. The Bell Tower supported

by the Square and Compass signifies our lodges and members which supports
the Indiana Masonic

Home at Compass Park providing a dignified and quality of live for our fraternal
members.

I have had the privilege to serve on the Indiana Masonic Home at Compass
Park Board of Directors since

2015. It is difficult to put into words how much the experience of serving on the
board has touched my

life. Being a small part of the changes and seeing firsthand how we as
Freemasons are making life better

for others. This joy lives inside of me and I can only hope that I can share that
joy with everyone around
me.
